### INNOVATORS IN FOOD DISPLAY - LEADERS IN MELAMINE

Dalebrook design and supply high quality, innovative products and display solutions that are trusted by the world's leading food producers and contract caterers. Our approach to business is fundamentally design driven. Our design team work closely with our customers to develop new and original products with a shared interest to constantly improve the way food is displayed and served.

Dalebrook has unrivalled expertise in the use of materials, including melamine, plastics, metals, timber and bamboo and with our uniquely close partnership with manufacturers, we are constantly inventing new forms, finishes and material combinations, supported by our in-house rapid prototyping capability.

As a global leader in our field, our creative inspiration comes from studying culture, food service and wider design trends worldwide. We are inspired by working in close partnership with our customers as we constantly strive to deliver the most original and highest quality food service and display solutions.

## REUSABLE FOOD TO GO

### MELAMINE

Outperforms traditional ceramic and proven to be 4x stronger. Chip and break resistant, ideal for event caterers. A favourite for waiting staff as look like ceramic but with half the weight.

### PET accounts for less than 1/2 of 1%. Because PET is fully recyclable, it's a highly sustainable material. Every time a PET container is recycled, its petroleum feedstocks can be recaptured and reused.\* \*Source: PlasticsEurope OOD, NATURAL FOOD

### POLYETHYLENE TEREPHTHALATE (PET)

The perfect material for lids. PET is the most widely recycled plastic in the world. Prized for its strength, thermo-stability, and transparency, PET is a popular choice for packaging. PET is also inexpensive, lightweight, resealable, shatter-resistant and recyclable.

**PLASTICS** 

There is a common misperception that plastics use a large

### POLYSTYRENE (PS)

100% recyclable. Our range of PS products are reusable and not intended for single use. Our most popular platter range for caterers who need a reliable solution. Strong, lightweight, ideal for canapes and outdoor events. Event caterers number one choice of platter.

### PINEWOOD

Completely biodegradable and compostable. So if you are looking for an all-natural way to serve side dishes that will leave a lasting impression without lasting in a landfill for years to come, look no further.

### HU WE ARE

Dalebrook Supplies are world leaders in the design and manufacturing of melamine display and tableware.

With increased global pressure for businesses to remove all forms of single-use, Dalebrook has worked closely with contract caterers, with the sole purpose to create a lasting product for current and future demands.

### OUR COMMITMENT

As a business, Dalebrook has made a conscious decision to move towards a more environmentally secure culture, thus launching into the market a reusable solution with HU supporting our commitment to sustainability.

HU is the solution to tackle single-use products within the industry and will provide operators with a sustainable image.

Cardboard or plastic take away boxes do not keep the food

Large storage space is needed to store single-use packaging.

Single-use boxes have a high cost due to transportation

HU cuts down the cost of waste management, transportation, packaging.

DALEBROOK

SOLUTION

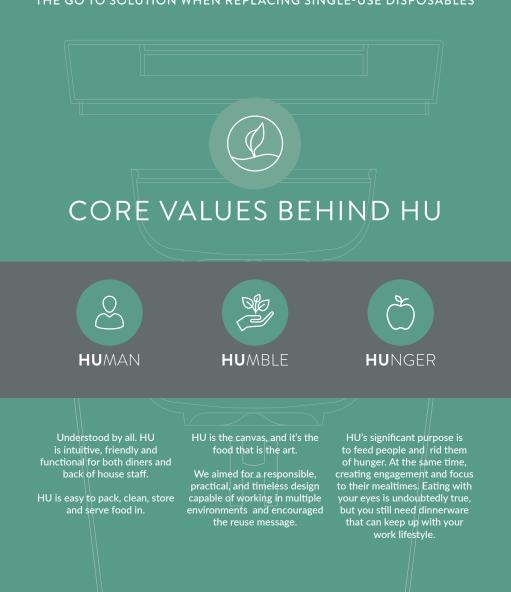

Melamine is the perfect material for food use as it has a highly thermal insulation property.

HU is perfectly stackable with or without a lid and saves storage space.

Fewer deliveries: With HU in circulation, you no longer require constant deliveries of disposable stock. Helping reduce pollution.

The dishes and pots should not leave the building. Used, washed, stored and reused the next day. A perfect sustainable loop that will add value to any business.

### BENEFITS

- Reduced Deliveries
- Zero Landfill Waste
- Circular Economy
- Durability
- Space Saving

## **TERMS & CONDITIONS**

## 1. Definitions

"The Company" shall mean Dalebrook Supplies Ltd. or Remmerco Ltd. "The Customer" shall mean the person, firm or company to whom any quotation is addressed or with whom any verbal or written contract is made. "The Goods" shall where the context permits include units, parts and accessories agreed to be sold.

## General

(a) Any order including any based on, or resulting from any quotation is deemed to incorporate these terms and conditions; and these terms and conditions supersede any terms or conditions proposed by the Customer and shall prevail over any inconsistent terms or conditions contained in or referred to in any order, correspondence or elsewhere and all or any arrangements to the contrary are hereby extinguished.

(b) The Company accepts no responsibility for the accuracy of drawings, patterns or specifications supplied by the Customer. No orders placed by the Customer whether resulting from a quotation or otherwise shall constitute a legally enforceable contract until accepted by the Company. The placing of an order based on a quotation supplied by the Company or in the absence of prior quotation the acceptance of an order imports therein the terms and conditions set out here under.

(c) Any information or technical assistance given by the Company is given in good faith and is for general guidance only, and does not constitute a warranty, guarantee or recommendation of the suitability of the goods for any specific purpose.

## 3. Quotation:

(a) All tenders, quotations and estimates made by the Company are given without obligation and are subject to written confirmation when the order is placed.

(b) Although every effort will be made to meet delivery dates these are not guaranteed, the Company cannot be held responsible for loss or damage due to delay in delivery, nor shall the Customer be entitled to refuse to accept goods because of late delivery.

(c) The time given for the execution of the order shall be reckoned from the date of receipt of the Customer's written order or from the date on which all information and drawings necessary to enable the Company to proceed is received, whichever date may be the later.

## 4. Corrections

The Company reserves the right to correct any clerical or typographical errors made by its employees, servants or agents at any time.

## 5. Prices

(a) Whilst every effort will be made to maintain prices as quoted, the Company will only accept orders at prices ruling on the day of despatch, and such price shall be fixed at the Company's discretion after taking into account any increase in the cost of materials, transport and any other relevant factors; and the Customer hereby agrees to pay the price as invoiced. The Customer also agrees to pay for any loss or extra cost incurred by the Company through any request or instruction or lack of instructions or in the rois or instructions or in the part of the Customer, its employees or contractors. Unless otherwise indicated in the Company's quotation no discount of any kind is allowable. Prices heigh a tricity to pet.

(b) VAT will be charged at the rate applicable at the time of despatch.

(c) All prices and specifications are subject to alteration without notice.

(d) If an invoice is not agreed then it is incumbent upon the Customer to communicate this fact to the Company immediately as under no circumstances will any dispute be acknowledged by the Company more than 7 days after the date of the invoice.

## 6. Orders & Schedule:

All verbal orders or instructions should be confirmed in writing within 3 days. Orders accepted by the Company cannot be cancelled without the consent of the Company in writing.
